CONTINUED EXAMINATION UNDER 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10 June 2005 has been entered.

EXAMINER'S AMENDMENT

The following changes are made to correct obvious omissions and errors. In the specification, a reference numeral is missing. Such has been added. In claim 4, the term slidable has been misspelled. Also, applicant omitted a line from the suggested claim. As such appears inadvertent, it has been added by the Examiner.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Specification

In the 27 December 2004 amendment to the specification, within the page 3, amended paragraph 8, line 4 therein, after “rivet” insert ---12---.

In the Claims

In claim 4, line 1, change “Sidable” to ---slidable---,
line 12, after “free end of the” insert ---wiper arm, wherein said rivet lies on said face and enables
the underside surfaces to---.
